

***Note:** This pattern is written to be worked in a spiral, therefore it is helpful to use a stitch marker to keep track of rounds. If changing colors with each round you may prefer to join rounds instead and start the next round with a chain 1.*

Finished eggs measure approx. 2.5 in. tall.

Make a [magic ring](#) (as an alternative to the magic ring, you can ch 4 and join with a slip stitch in furthest chain from hook to form a ring).

Round 1: Ch 1 (does not count as st), work 8 sc into ring, pull tail to close up ring — 8 sts.

Round 2: *Work 2 sc in next st, 1 sc in each of the next 3 sts, rep from * around — 10 sts.

Round 3: *Work 2 sc in next st, 1 sc in each of the next 4 sts, rep from * around — 12 sts.

Round 4: *Work 2 sc in next st, 1 sc in each of the next 5 sts, rep from * around — 14 sts.

Round 5: *Work 2 sc in next st, 1 sc in each of the next 6 sts, rep from * around — 16 sts.

Round 6: *Work 2 sc in next st, 1 sc in each of the next 7 sts, rep from * around — 18 sts.

Round 7: *Work 2 sc in next st, 1 sc in each of the next 8 sts, rep from * around — 20 sts.

Round 8: *Work 2 sc in next st, 1 sc in each of the next 9 sts, rep from * around — 22 sts.

Round 9: Work 1 sc in each st around — 22 sts.

Round 10: *sc 2 tog, 1 sc in each of the next 3 sts, sc2tog, 1 sc in each of the next 4 sts, rep from * 1 more time — 18 sts.

Round 11: *sc 2 tog, 1 sc in each of the next 2 sts, sc2tog, 1 sc in each of the next 3 sts, rep from * 1 more time — 14 sts.

At this point, fill with stuffing to desired density, but take care not to overstuff.

Round 12: *sc 2 tog, 1 sc in next st, sc2tog, 1 sc in each of the next 2 sts, rep from * 1 more time — 10 sts.

Round 13: sc 2 tog around — 5 sts.

Fasten off, leaving a 6-in. tail. Use tail to weave in and out of sts from Round 12, pull to close up circle ([Planet June has an awesome tutorial for finishing off amigurumi pieces](#)). Weave in end. This is the bottom of the egg.
